CUMING COUNTY FAIR LIVESTOCK BARN SPONSORSHIP

Don't miss your chance to be a part of the Cuming County Fair year after year!

Become a sponsor/donor that will help pave the way for an improved fairgrounds for the 4-H, FFA, and Cuming County community to enjoy. A new livestock building is going up to replace the old hog, sheep, and goat barns. There are several different options to donate: a one time payment, or your donation total divided over 5 years. Payment options include submitting the portion below via provided envelope, or an online payment using attached QR Code (www.cumingcountyfair.com).

No donation is too small!

If you or your spouse are employed by a company that matches employee donations, feel free to discuss a potential donation match. We hope that you won't let this opportunity pass you by!
